

a big role

FOR SMALL POURS

Propelled in part by the craft beer movement, high-ABV beer and other beverages are increasingly popular as a more sophisticated choice. Give a more refined and proportioned presentation with smaller capacity glasses, while consistently maintaining more responsible and profitable serving sizes.

Ask your Libbey sales representative how the right glassware can help enhance every pour.

RESTAURANT BASICS® +DuraTuff®

See pages 280 to 283 for stacking solutions to extend the service life of your glassware.

Stacking Mixing Glass
