Katom

RESTAURANT SUPPLY, INC.

Mission Statement:

KaTom strives to be a top performing leader in the foodservice equipment and supply industry, providing excellent customer service by utilizing superior technology and efficient operations through continuous improvement while empowering our diverse workforce.

Service:

KaTom has been serving the foodservice industry since 1987 and continues to strive every day to be your best partner. KaTom has evolved over the years to offer quality products through our website, outside sales team, and over the phone through our knowledgeable customer service representatives. If you have questions, need advice on which equipment or supplies are best for you, or have any general concerns about your order or our company, please contact us Monday through Friday, from 8 a.m. to 8 p.m. Eastern Time at 800-541-8683, or online at www.katom.com.

Experience:

Buying restaurant equipment and supplies involves making big decisions. That's why KaTom Restaurant Supply emphasizes the importance of knowledgeable decision-making and puts such high value on researching the best product for each customer's unique set of needs. Through our bids department, our customers are served by project managers who are by your side every step of the way. We can also work with you to draft buying guides for every piece — stock or spec — that fills your locations' kitchens.

Quality:

KaTom provides quality restaurant equipment and supplies at a great value. We offer stellar service, a fantastic selection, and well-researched advice to help you make wise and informed business decisions. From the early planning stages of a new franchise to your everyday kitchen needs, KaTom is there to guide you with the highest quality experience and products.

Price:

We are a premier, high-volume supplier of quality restaurant equipment and supplies. More importantly, we use our buying power to pass the savings from our manufacturers on to our customers. We work every day with manufacturers' representatives and our national buying groups to ensure we're providing our customers the best prices possible.

Selection:

KaTom stocks thousands of products in the warehouse and carries more than 200,000 products online. With new products added every week, you're sure to find exactly what you are looking for. Many orders ship within 24 hours—just look for the Quick Ship icon on our product pages or contact one of our friendly sales representatives for more information. If you search www.KaTom.com and are unable to find what you're looking for, contact us and we will be happy to work with you.

Design:

KaTom has a Contract and Design Department that can guide you through the process of ensuring your project is a success—from the beginning planning stages, all the way through installation. The team has decades of combined experience in project management, kitchen design, and equipment and supply procurement. With an emphasis on building to fire, life safety, and accessibility codes, the KaTom contract and design team is determined to bring your vision to reality.

Terms and Conditions of Sale

Transportation Charges: All prices herein do not include freight and delivery. All truck shipments and UPS charges must be pre-paid with your invoice. Claims: Please inspect shipments carefully upon delivery before signing for them. Any damage or loss sustained in shipment should be reported immediately. Returns: Returns must be made within 15 days from shipping date. All merchandise must be unused and in its original packaging. Some items may be subject to a restocking fee plus costs for shipping and return. Sales Tax: Sales tax to be added where applicable. Note: Some items may be special order and are not returnable.
